The signing market, although somewhat affected by the economic crisis, lashes back with trades like that of Jordi Alba to Barcelona or Ibrahimovic to PSG.. Meanwhile, in the digital field, PES continues in the fight to bring back game satisfaction like back in the day.. This time you can see that PES 2013 is extravagant, that the graphics are overwhelming, and that you can control the player relatively well, which is why you can now begin enjoying the king of sports for another season.
